## Commodity Supplemental Food Program (CSFP)

- Works to improve the health of low income elderly persons at least 60 years of age by supplementing their diets with nutritious USDA food.
- Household income must be at or below 130% of the Federal Poverty Level.
- Each food package is distributed once per month to a certain location to be picked up by the client.
- CSFP food packages do not provide a complete diet, but rather are good sources of the nutrients typically lacking in the diets of the target population.
- Food packages include a variety of foods, such as nonfat dry and ultra-high temperature fluid milk, juice, oats, ready-to-eat cereal, rice, pasta, peanut butter, dry beans, canned meat, poultry, or fish, and canned fruits and vegetables.
- Call 906-228-6522 for an application or print out an application from [www.communityactionam.org](http://www.communityactionam.org).

## Meals on Wheels Program

- A hot meal is delivered to seniors who are homebound and unable to prepare nutritious meals for themselves.
- To qualify, you must be homebound and 60 years of age or older.
- Suggested donation is \$3.50 per meal.
- In addition to providing healthy and well-balanced meals, the meal deliverers also provide an important service by checking on the homebound seniors when they deliver the meals.
- We can also provide meals for seniors who have been recently released from a hospital or nursing home.
- Call 906-228-6522 ext. 302 to see if you or your loved one qualifies.
